

Welcome to SIG Roofing

Roofing materials sourced with expertise,
delivered with confidence

We at SIG strive to help our customers get the job done right, first time.

By understanding how important your time is we are here to help take some of the pressure off. As the largest specialist supplier of roofing products and services in the UK, we are ready and waiting with all the products you need, when and where you need them.

Incredible choice

In every branch you'll find a vast range of essential roofing products and a wide range of specialist items always in stock. In fact, we offer the most extensive range of roofing products available anywhere in the UK. And, because we work with the leading manufacturers in the roofing industry, you know you can trust the quality of all our products, certification and warranties.

Expert advice

Our strength lies in the fact that we operate as a local company. Whether you visit us in branch or one of our local business support staff visits you on-site, we strive to develop an understanding of your business needs.

That way we can focus on the relationship with you, to become an extension of your team. As a result, we aim to be your first port of call when you need the right solution to get the job done.

Whenever you pop into branch, we're happy for you to pick our brains and tap into our extensive knowledge to find the best approach for your project.

Over 165 branches nationwide

Being a large company means we have the scope to get you what you need quickly, however our nationwide branch network means you can enjoy the benefits of dealing with a local business. Our branches are key businesses within their communities, providing support, expertise and reliability to local contractors.

Reliable delivery

Our network of branches across the UK means that wherever you are in the country you can take advantage of our next day delivery, direct to you on site. We deliver the products you need, where and when you need them.

Our specialist fleet provides 'just in time' deliveries in site appropriate vehicles, helping avoid site congestion, so you can get on with the job. This staggered delivery capability means you overcome storage and security issues, reduce disruption and minimise delays.

After all, we're all part of the same roofing community, and we'll always do what we can to help you succeed.

Part of SIG plc

SIG Roofing is a key part of SIG plc, a FTSE 250 company and the UK's market-leading specialist supplier of construction products.

Our customers enjoy:

- The efficiencies and know-how of a multinational group
- The confidence in SIG Roofing's financial stability and longevity
- The benefits that come with SIG Roofing's close relationships with trade associations, regulators and manufacturers

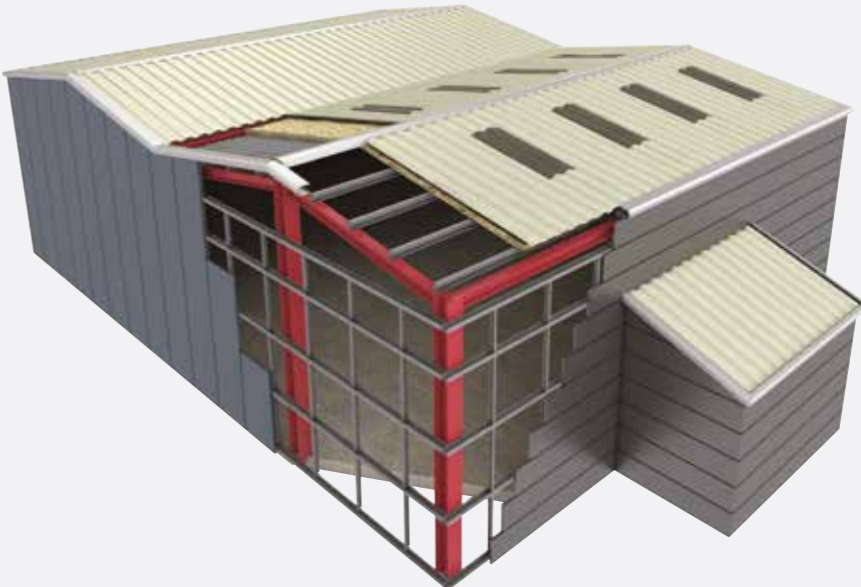

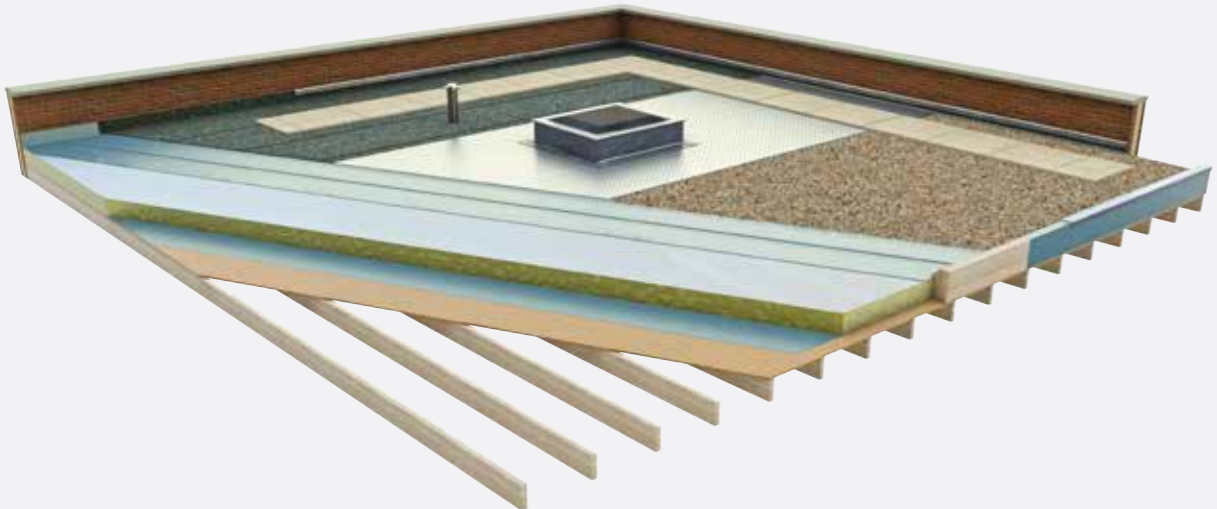

SIG Roofing. Supporting you everyday.

Ensuring you get what you need. Everytime

We're more than a merchant;
we're a partner, too.

Whether you have years of experience under your belt and know exactly what you're looking for, or you are looking to venture in to new areas of the roofing industry, we can guide you through to the best solutions available. We can work out what product will work best, how much you'll need, and can even help you use it. Added to that, we offer impartial advice from genuine industry experts.

Core Range Always Available

You name it, we've got it! We stock over 40,000 products in our branches nationwide, so if you need something at a moment's notice, we've got you covered.

'Core Range Always Available', has been designed to ensure that you can get the everyday essential roofing products, as well as a wide range of specialist products - when you need them. It's our commitment to you that whatever you need to get the job done, first time, is always available.

Our Core Range includes the products you need, whatever your roofing project;

- Pitched Roofing
- Flat Roofing
- Industrial Roofing
- Building Plastics
- Tools & PPE

ONE Warranty.

Simplicity Guaranteed

Our aim is to keep things as simple as possible for you, your customers and for us. That is why we have developed the unique and innovative ONE Warranty, a single package pitched roof product warranty to support the build-up of the roof from batten to roof coverings.

The products' performance are covered for 15 years under one warranty, at no extra charge. Easy to understand and even easier to use, this single package 15 year warranty means you only have to deal with one supplier for goods, warranty registration process and one contact in the event of a claim.

It's there to help you win business too. You can supply quality workmanship and products - whilst offering your customers as an additional service at no extra cost - a great value added service in a competitive market.

We're in your corner

Whether you're looking for product advice, financial support, practical demonstrations, or even just someone to chat through a few options with, we're available to help every step of the way.

Own label products - you can trust.

As the UK's leading specialist Roofing merchant, in addition to supplying a vast range of manufacturers products, we have developed a number of high quality pitched and flat roofing own label products to meet your requirements.

As a business we work very closely with all parts of the Roofing industry; contractors, manufacturers and trade associations - to name just a few. Most important of all of these to us, are our customers - those responsible for getting the critical job of roofing done.

By working with and listening to our customers, we are able to identify when a product solution is needed - and that's when we set to work creating product solutions to match these needs.

We do this, by only working with manufacturers that are well established, have a proven track record and have demonstrated an exceptional technical understanding of our industry. Allowing us to create a range of products that;

- Answer our customers specific needs
 - Offer exceptional performance
 - Can be relied on for quality
 - Legislatively compliant
 - Provide robust product warranties
- ... providing perfect product solutions for our customer's needs.

Our own label product ranges include;

- **SIGA Natural Slate**
Setting the benchmark in natural slate for roofing
- **SIGA Heritage Reproduction Stone**
Reproducing natural beauty, perfectly
- **SIGNature Clay Tiles**
Bringing together modern technology and the traditional skills of the clay tile maker
- **TIL-R Pitched Roofing Range, including TIL-R Classic**
A range of Pitched Roofing products designed to meet your standards of usability, quality and price
- **FIX-R Flat Roofing Range, including FIX-R Classic**
A range of Flat Roofing products designed to include everything from traditional techniques to modern product solutions
- **FIT-R and FIT-R Classic Range**
A range of quality general purpose fixings, nails, bracketry, silicones and sealants to address your project needs

Own label development
We're always working hard to develop our range of own label products, whether it's through product innovations, quality or simply a solution that hasn't been addressed yet - striving to meet yours and our industry needs.

Take your flat roofing to another level

Complete roofing solutions from design, to supply, to installation.

For peace of mind that your flat roof project has been finished perfectly and is backed with a rock solid guarantee, it's worth talking to SIG Design Technology. From initial design right through to installation, we can help you make roofs that last, save energy and look great.

The technical support you need

SIG Design Technology offer technical advice, design support and on-site support systems – completely free of charge.

You'll get to share our expert knowledge and explore our full range of products and solutions.

■ Correct product choice

We always recommend the right products for the job

■ Design and supply

We can design, specify and co-ordinate your roof from the deck up

■ Regulations

We'll make sure your roof complies with all the appropriate standards

■ Correct installation

We ensure your roofing system is installed exactly as it should be

■ Reliable guarantees

If anything goes wrong, you have a single point of contact to sort it out quickly

Our products and services are all accessible through our SIG Roofing branch network, or by speaking directly to our dedicated team in Shepshed.

Become a Design And Technology Accredited Contractor (DATAC)

Being a DATAC member helps you have a real competitive edge. You get exclusive access to our specialist range of products, systems and guarantees – such as back-to-back warranties on products and workmanship – that aren't available to other contractors.

We only ever recommend DATAC contractors to install our flat roofing systems. That way, we can offer full back-to-back guarantees and you can be confident you have the best solution for the job. For more information on how to become a DATAC member, visit www.singleply.co.uk.

Take the risk out of design

Designing the 'Optimal Roof' has never been more challenging, however SIG Design Technology have put together an eight step guide to identify the challenges and ensure your design meets your client's requirements from performance, to budget to aesthetics. We take the risk out of roof design for you.

Our specialist roofing solutions include:

- Single Ply Roofing Membranes
- Hot Melt Application
- Liquid Waterproofing
- Green Roofing Systems
- Zinc Roofing
- Copper Roofing

Complex projects made simple

When you need someone you can trust, to advise and help you on your industrial roofing and cladding project.

Someone who can help you source the various materials required, calculate the amount you need and coordinate all the deliveries? Someone who understands just how complex industrial roofing and cladding projects can be?

Well, our Industrial Roofing Centre offers all that and more. We can take on all the time-consuming administration to allow you to get on with the job.

Our expert guidance on ranges, products and technical specifications is second to none and available to you today:

■ **Bespoke deliveries**

Our local branch network means we can plan incremental deliveries, so you get the quantities you need when you need them

■ **Matching systems**

We can help you source discontinued products, match profiles and colours, and calculate materials

■ **Tailor-made manufacture**

We fabricate bespoke products like facades, as well as a cut-to-size service. So we can supply hard metals such as zinc and copper in the exact amounts you need, without having to buy in bulk

■ **Quality assurance**

We only work with, and supply materials from, leading manufacturers in the industry, so you can have total confidence that your products are backed by effective warranties

The Industrial Roofing Centre is a unique one-stop-solution for industrial roofing and cladding products. It makes projects much easier to handle, opening up real opportunities for roofing contractors.

And, what's more, our services are accessible through all our branches - just come in and have a chat to find out how we can help.

Our specialist industrial roofing solutions include:

- Single Skin Metal Sheeting
- Composite Panels
- Tile Support Systems
- Galvanised Sheeting
- Fibre Cement Sheeting
- GRP Rooflights
- Purlins
- Flashings, Gutters & Fabrications
- Decking Profiles

Setting the benchmark in natural slate for roofing.

SIGA Heritage Reproduction Stone

A quality range of hand crafted, reproduction slates, perfect for conservation projects.

- Hand crafted using moulds from original natural stones
- 100% through-coloured for colour fastness
- Weathers and cuts like stone, yet 20% lighter
- Available in three colours; Cotsway, Rutland and Charnwood
- 25 Year Warranty

Preserving Britain's Heritage

We are the largest distributor of natural slate for roofing in the world, through our brand SIGA Natural Slate.

SIGA carefully manages every step of the journey, from the quarry to the roof. Their especially close partnerships with quarries in Spain, where their onsite, full-time quality control teams work together, ensure your slate is of the best quality - with consistency and traceability that's second to none.

With SIGA Natural Slate, you can be sure of:

- Consistency of quality
- Longevity of supply
- Best value
- Choice and variety
- Traceability
- On site quality control
- Rapid and efficient logistics

The SIGA Range

There are four ranges to suit every project, style and budget, from new build to renovation or restoration - with warranties of 30 to 75 years (dependent on the slate). The range includes; Excellence, Specification, Commercial and Classic.

Unrivalled performance

We also have extremely close ties with a number of specialist manufacturers, which gives you guaranteed access to industry leading, quality products that are independently certified and come with manufacturer warranties.

SR Timber

From the forest the roof, SR Timber produces and supplies; high quality roofing battens, imported quality softwood timber, high end cedar shingles, carcassing and scaffold boards - all sustainably sourced from slow-grown timber.

From their own sawmills to their dedicated service team, SR Timber will always give you the best quality products, expertise and unrivalled value. Guaranteed!

Premium Gold Roofing Batten

- The GOLD range is our factory graded roofing batten
- Fully compliant to BS 5534:2014
- Third party stamped and accredited
- Approved by the NFRC, NHBC

Cedar Shingles

- Perfect for domestic and commercial roofing and cladding
- Environmentally friendly, durable and lightweight

Scaffolding Boards

- BSI - Kitemark Certified
- Stamped and fully compliant to BS 2482:2009

Flex-R

The Flex-R roofing systems are based on three clear principles; high quality, durable products and experience. Manufactured by Carlisle Syntec™, industry leader in Single-Ply manufacturing, research development and innovation for 50 years, with Flex-R Ltd. as the sole authorised distributor for the British Isles.

RubberBond FleeceBack

- Superior strength, protection and long term performance
- Can be bonded to a wide range of substrates
- Simple and fast to install
- Available to approved contractors

ClassicBond EPDM

- Suitable for residential and commercial roofing, inc green roofs
- Wide range of sheet sizes, minimising joints and leaks
- Economical and easy installation - with no special tools
- Maintenance free waterproof membrane

Senit-RF™ Roofing System

- Provides long-term performance and protection
- Increased puncture resistance
- Resistant to cuts, tears and scuff

Sure-Weld TPO

- Unique TPO membrane
- Offers greater flexibility and weatherability
- Suitable for a wide range of welding temperatures

We deliver the goods

Our local branch teams ensure that our specialist manufacturers products are always available to ensure you get the best solutions available. And, when you need products delivered to site, we know you need to feel completely confident it will be there for you to get on with the job in hand.

So, when we say we can deliver something, we mean it.

Building a better future

With success comes responsibility. At SIG Roofing, we understand that our business is bigger than just us; it's a key part of the wider roofing community. We are constantly seeking opportunities to improve the way we do things and, in turn, enhancing the industry as a whole.

We're active in a number of initiatives that positively impact on our working environment and on the health of the market. Here are some of the things we're involved in:

■ Corporate Social Responsibility

As a member of the FTSE4Good index of socially responsible companies, we integrate broader social and environmental issues into all our business activities.

■ Roofing Awards

Recognising the outstanding work roofers do, the Awards are a benchmark of quality that we are pleased to support.

■ Skillbuild

The largest multi-trade competition in the country sees the very best in young construction professionals compete against each other.

■ London Triathlon

SIG's 'Roofing Racers' have raised hundreds of thousands of pounds for MacMillan Cancer Support and Great Ormond Street Hospital.

■ Trade Associations

We work with a number of trade associations – such as the **NFRC**, **MCRMA** and **SPRA** – to help shape industry practice and legislation and to make life easier for everybody working in the roofing industry.

Support for the roofing industry and community is an integral part of our culture and underpins everything we do. It provides the foundation for the continued success of roofing generally.

We're always looking for opportunities to do more locally, so why not tell us about a local initiative or scheme that will benefit your community and see if we can get involved.

Contact info@sigroofing.co.uk or speak to your local branch manager.

Specialists throughout the group

The SIG Group of companies covers key specialist areas of the construction materials industry, so if you need more than just roofing materials we can supply you with a number of items from insulation to glazing.

Two areas that are particularly relevant to roofing contractors are our Building Plastics and Insulation businesses.

SIG Building Plastics

SIG Building Plastics offer the most extensive choice of roofline and rainwater products, as well as one of the largest ranges of windows, doors and conservatories in the market.

We stock all the material finishes and styles you could ever need, and all our products are available as A-rated from key manufacturers – guaranteed to give your customers peace of mind as well as choice.

■ Windows

PVCu, Aluminium and Timber

■ Doors

Residential, French, Patio and Bi-folding

■ Conservatories

Full Conservatories or Roof only

With more than 90 branches nationwide (roofline ranges are also available in all roofing branches) you are never far from the best choice of products for your next project.

Visit us in branch or see the website for more information:

www.sigbuildingplastics.co.uk

SIG Insulation

Perhaps better known for the last 60+ years as Sheffield Insulation, SIG Insulation are the UK's market leading specialist distributor of insulation, dry lining and related products. We offer sound impartial advice, technical and specialist expertise, as well as legislation guidance.

We stock all major insulation brands and the **SIG Assured** shield of approval lets you know which products and suppliers comply with the latest legislation.

SIG Assured is designed to make your life a whole lot easier when you're choosing the right materials. It gives you the assurance you need that the products we supply are of the right quality and comply with all the relevant standards.

All the Insulation products you could need for a roofing job are available through your local SIG Roofing branch.

Talk to us today or visit the website;

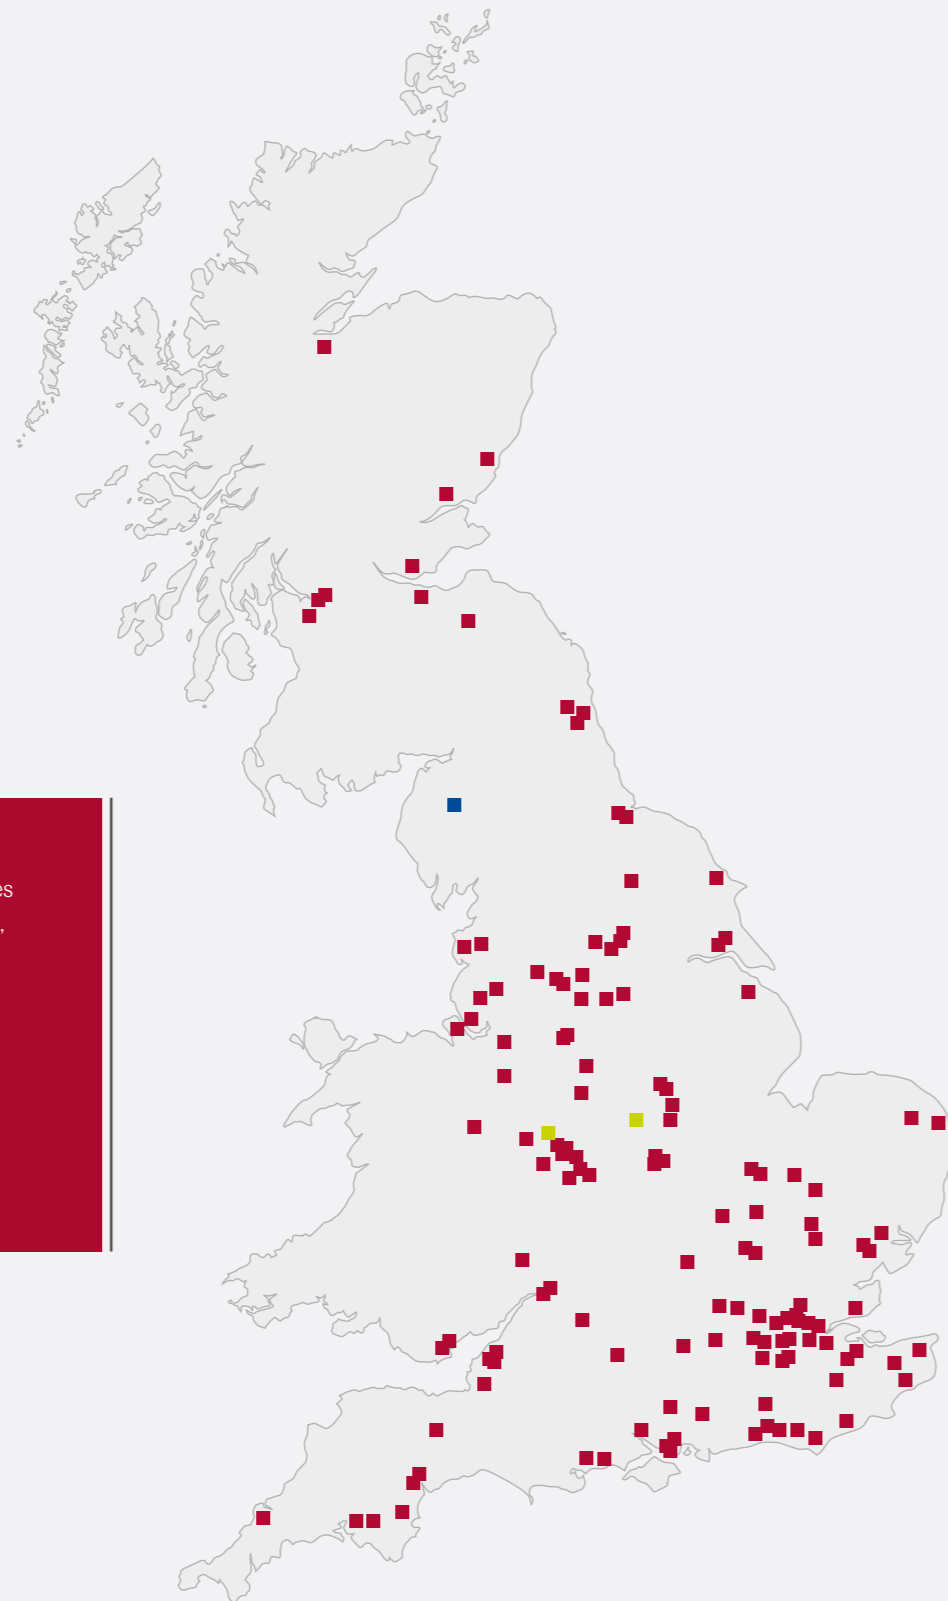

www.siginsulation.co.uk

Being responsible means taking responsibility.

Nationwide access. Local knowledge

Being local isn't just an ethos, it's our driving force to ensure you deal with the people in the know.

We're in your corner

Our network of branches are key businesses within their communities, providing support, expertise and reliability.

Being located across the UK means that wherever you are in the country you can take advantage of the next day delivery.
